For the past few years, the state of Indiana has captured the attention of North America, if not the world, for the high level of trotters that have emerged from the state. Hannelore Hanover, Fiftydollarbill and more recently Swandre the Giant, all products of Swan for All, are just a few names that have made national headlines. But it is Indiana’s trotting sire Mr Cantab that is grabbing some ink of his own this season with the emergence of Homicide Hunter, now the sport’s fastest trotter ever with his world record performance of 1:48.4 at The Red Mile this fall.

Now six-years-old, Homicide Hunter has always been competitive, scoring Indiana Sires Stakes wins as a two-year-old for initial trainer Curt Grummel of Carrolton, Ill. and breeder-owner Dr. Patrick Graham. He returned at three to win 16 straight races before being purchased by the Crawfords of New York and entering the Chris Oakes barn. His win column wasn’t as plentiful, but the speed began to soar, picking up a best time of 1:50.1 that season.

Homicide Hunter proved his versatility last year at five, scoring a string of wins in the Open at Yonkers Raceway before tackling the Breeders Crown at Hoosier Park with no success. With over a million in purse earnings heading into 2018, little did anyone know that the Indiana sired Homicide Hunter was in for the biggest season of his life, winning nine of 16 starts and becoming the quickest trotter in history in the $145,000 Allerage at The Red Mile with Brian Sears in tow. The Mr Cantab gelding completed his 2018 campaign with a little revenge, winning the $500,000 Breeders Crown at The Downs at Mohegan Sun, which immediately posed the question, ‘Who is Mr Cantab and where can I get one of those?’

Mr Cantab made some waves himself, selling for $350,000 at the Lexington Select Sale to mark the highest priced yearling colt sold at auction in 2007. Trained by Erv Miller during his campaign, the son of Cantab Hall won six of 12 starts earning a mark of 1:54.3. He had 10 starts as a four-year-old but at the end of the year, the decision was made to move him to the stallion ranks.

Mr Cantab was acquired by Carl Becker and a group of investors during the fall of 2010. As a result, the Mr Cantab Syndicate was created consisting of 40 shares. Becker and Loren “Short” Raber retained half of the shares, and the other 20 were open for purchase. One of those investors was Harold Ruddick, longtime horseman from Seymour, Ind. who is known for his trotting expertise. Becker and Raber quickly selected Ruddick to manage the Mr Cantab Syndicate and the well-bred stallion arrived at his new home at Hoosier Standardbred Farm in Montgomery, Ind. for his first year at stud beginning in 2011.

“As manager, I was responsible for the breeding contracts and all other paperwork, plus paying the bills and collecting the stud fees,” said Ruddick. “I also made distributions to the shareholders from the profit we made on standing the horse.”

In his first year at stud, Mr Cantab bred 137 mares. The syndicate agreement was written to only accept 20 outside mares to safely keep under the U.S. Trotting Association’s rule of 140-mare maximum. His first crop included Homicide Hunter and of the 85 registered foals, 54 of them raced with 17 taking records of 2:00 or under.
The second year at stud, Mr Cantab bred 119 mares. He bred 94 in 2013, 132 in 2014, 37 in 2015, 59 in 2016 and 46 in 2017. A very limited number of those foals have been available at auction with only 14 sold through the sales ring as yearlings in 2017.

“He (Mr Cantab) was always very good to be around and to work with,” said Ruddick. “I can remember early on people asking what he looked like as far as conformation. My reply was always the same, ‘He was a $350,000 yearling. They don’t pay that kind of money for a horse that stands bad.’ He is a very correct individual and he is very well mannered. Because he had limited outside mares per the syndicate agreement, I can’t help but wonder how much better he could have been as a sire, otherwise.”

Mr Cantab possesses all the qualities breeders and buyers look for when considering a potential addition to their stable. However, the connections of Mr Cantab weren’t seeing the interest they had hoped for.

“Mr Cantab had sort of fallen from grace in the eyes of many Indiana trainers so his offspring have not been in high demand at the yearling sales lately,” added Ruddick. “However, his offspring have become a very hot commodity in the driving/show horse world. Breeders from as far away as Eastern Pennsylvania booked mares to him in 2018. Consequently, he bred 133 mares this year as compared to 46 in 2017.”

Mr Cantab also caught the eye of John Hershberger of Topeka, Ind. He approached the Mr Cantab Syndicate this past spring and purchased the stallion, who will stand at Hershy Acres beginning in 2019. It has been rumored that Mr Cantab was purchased by Hershberger for a reported $400,000.

To date, Mr Cantab has produced 185 starters from 354 registered foals with 60 taking marks under the 2:00 time barrier for earnings in excess of $6.3 million in purse earnings with nearly $2 million of that tally coming from Homicide Hunter.

In addition to the success of Homicide Hunter, a new product of Mr Cantab has emerged onto the scene in 2018. Custom Cantab, a three-year-old filly trained by Chris Beaver, has trotted up a storm this summer at Hoosier Park. She has 13 wins in 17 starts for 2018 with her career best time recorded in September in 1:53.0. The filly, who was purchased for the bargain price of $6,000 by Beaver, Donald Robinson and R.B.H. Ventures, Inc., added another impressive feat to her credentials, traveling to Dover Downs in mid-November to win the $183,900 Matron Stakes in 1:53.1 with David Miller at the controls.

Custom Cantab is now the second most successful product of Mr Cantab with career purse earnings in excess of $735,000. Other $100,000-plus money earners sired by Mr Cantab include River Otter, Wheels A Turning, Keegan Ho, Cantad Kid, Rose Run Quickley, Miss Tootsie Hall and Mr Protab.

It’s safe to say that the telephone at Hershy Acres will be ringing off the hook for the upcoming breeding season.

Big Stick Lindy moves to Premier Acres for the 2019 breeding season, and the son of Conway Hall looks to extend his record of producing winners in the Hoosier State. Out of the mare Piece A Pie, Big Stick Lindy is a full brother to World Champion Pizza Dolce 2, 1:57f; 3, 1:52.4m ($668,824). With five crops of racing age, the stallion has sired winners of more than $3.2 million, with eight $100,000 winners and five that have trotted in under 1:55. During the 2018 racing campaign, nearly 68 percent of Big Stick Lindy’s starters reached the winner’s circle. In 2017, close to 78 percent of his starters were winners, accumulating over $900,000 in purses. Over five seasons, 53 percent of registered foals have made it to the races. Some of Big Stick Lindy’s top offspring include:

**Indiana Sires Stakes Champion Satin Dancer 2, 1:57h; 3, 1:55s; 4, 1:53f-'18** ($674,410)

**Indiana Sires Stakes Super Final Runner-Up Golden Big Stick 2, 1:58.1s; 3, 1:57.1s** ($222,132)

**Indiana Sires Stakes elim winner Jinah Bluegrass 2, 1:58.2s; 3, 1:55s; 4, 1:54.4s** ($221,629)

**Indiana Sired Fair Circuit Champion Serena’s Serenade 2, 1:59.3s; 3, 1:58s; 4, 1:56f** ($166,690)

As a freshman and sophomore, Satin Dancer captured 21 of 35 starts and was named divisional champion in Indiana during her two-year-old campaign. Now four, Satin Dancer continues to win, finishing in the winner’s circle in 51 percent of her career starts. Big Stick Lindy’s latest crop of racing age was led by two-time ISS elimination runner-up My Elisa Jane 2, 1:57s ($28,525) in 2018, joined by Indiana Sires Stakes Super Final starter Infinity Stick 2, 1:59.2s ($31,600) and Indiana Sires Stakes elimination runner-up Foxy Trottin Stick 2, 1:59.2s ($28,715).

Big Stick Lindy has changed locations, but he still provides Indiana breeders with a proven sire of winners at a very attractive price. Book your mare to this established sire of talent today!
Maestro Blue Chip will stand at Premier Acres during the 2019 breeding season as one of the fastest trotting stallions available in the state. He is the third-fastest son of Credit Winner, following millionaire Archangel and mare Perfect Alliance. A $65,000 yearling purchase at Harrisburg, Maestro Blue Chip orchestrated a winning average of nearly 40 percent over three seasons, while hitting the board in close to 60 percent of his career starts. As a three year old he was competitive in New York Sires Stakes, winning once and finishing runner-up twice.

Maestro Blue Chip’s greatest success came at age four when he won 13 of 20 starts and earned $238,000 in purses. Highlights from the campaign include:

10 consecutive wins while racing at three different tracks

Victories in two legs of the Graduate Series

Took his mark of 1:51.3 at the Meadowlands

Race timed in 1:53 on a five-eighths

Other sons from the American Winner line have produced champions in Indiana. Maestro Blue Chip has the talent and pedigree to become the next productive sire in the Hoosier State. His dam, Up Front Hotsey, won over $400,000 on the track and comes from a highly-productive family with lots of black type.

If you’re looking for a new stallion from proven bloodlines, Maestro Blue Chip should be your first choice!
