We are in the final turn of the 2022 racing season, and it’s been a fun ride so far. This issue will cover some of the highlights this quarter, including the amazing performance by Bulldog Hanover to win the 29th edition of the Dan Patch in early August. The month of August also brought the “Quest for the Governor’s Cup” to a close with eight finals. Although delayed by weather, the evening proved to be full of talent and excitement for the stars who reached the Governor’s Cup Championships at the Indiana State Fair.

It was very encouraging to see a lot of fans in the grandstand at DuQuoin this year.

Speaking of fairs, my father and I attended the races at the DuQuoin State Fair in August to see some harness racing. This is where my interest and love of racing began as a child. My parents would attend the races each year and as a teenager in the 1970s, I witnessed some great miles with the World Trotting Derby and of course, the Hambletonian, until it was moved to The Meadowlands in 1981. I’ll never forget seeing racing’s brightest driving stars like Stanley Dancer and Joe O’Brien. Plus, I accompanied my dad into the paddock in the mid-1970s and between warm-up trips, Bonefish walked in front of us and I was so close, he swished his tail and hit me right across the face. I was so excited to be that close to greatness and it’s a moment I’ll never forget.

It was very encouraging to see a lot of fans in the grandstand at DuQuoin this year. Also, the reports on the droves of people that stopped in the Speed Barn at the Indiana State Fair just proves there is still interest in harness racing at a lot of different levels.

Featured in this issue is a plethora of ads for the upcoming yearling sales. Each year, it’s fun to go through and see who has full brothers and sisters selling and tab the pages in the book of yearlings to watch in the ring. We wish everyone the best of luck in selling and buying the state’s next crop of stars for the 2023 racing season.

Trainer Linda Toscano is not surprised by the success of stallion Helpisontheway.

The first crop sire has taken the Hoosier State by storm this season, with 46 of his 2-year-olds winning 38 races to date.

Toscano, a New Jersey-based, and first-ever female Hall of Fame trainer, conditioned the son of 2012 Horse of the Year Chapter Seven to $610,446 in earnings and a record of 3, 1:51.4.

“He was the first and richest son by Chapter Seven, and I’m so happy because I don’t think he got the best choice of mares his first season, since he was new, and because of the quality of stallions standing in Indiana,” she said. “But I’m tickled pink at how well all of his babies are doing.”

Bred by former Illinois Racing Board chairman Richard Balog, Helpisontheway was foaled May 5, 2015, in Montgomery, NY. His dam, the Plesac mare Porque 4, 1:56.3 ($272,863) was also trained throughout most of her four-year career by Toscano.

“He’s mom was a pleasure to train as well, and to me he’s kind of like a homebred since I trained his sire and...”

his dam,” Toscano said about Helpisontheway. “He was a great horse to work with—super gaited, and much taller in size than his sire. I can’t wait to see what his next few crops are like as I think he’ll likely get a better-quality group of mares in the future.”

Helpisontheway entered the Indiana stallion ranks in 2019, and has sired 146 registered foals, with 46 starters who have earned $493,379. He bred 118 mares that first year, 132 in 2020, and 88 in 2021. His first crop of 2-year-olds hit the raceways this season, with 14 trotting in two minutes or faster and three with sub-1:55 marks. The multiple stakes-winning stallion is housed at Maple Lane Farm in Grabill, Ind. and stands for a fee of $6,000.

As a freshman, Helpisontheway won just one of eight starts, earning $36,388 and recording a mark at Vernon Downs of 1:55.4s in the New York Excelsior Series. He also performed well, finishing third, in the Kindergarten Classic Championship, impressing his trainer, and showing her that when he failed to jump off gait behind the gate, he was one terrific trotter.

“At two, he just couldn’t get away from the gate, and he would look at the shadow of the gate in front of him and run over it,” Toscano explained. “He never got away well off the gate when he was a baby and the few times that he did, though, he raced really well.”

That all changed during his sophomore campaign, when Helpisontheway scurried to victory in nine of his 16 starts, along with five seconds.

“At three, we jogged him on the gate every day, and since I owned him, I didn’t have a lot of owners to yell at me,” Toscano laughed. “Mentally, it was the best thing for him at the time and showed him he didn’t have to be scared of those gate shadows. I didn’t stake him that heavily either, and in hindsight, I probably should have because he wasn’t eligible to the Hambletonian, and he won the Drazin that same day at the Meadowlands in 1:51.4.

Helpisontheway trotted to a commanding effort that sweltering Aug. 4 afternoon in the $50,000 Drazin Trot, scoring easily with Tim Tetrick at the lines from post 12. He won nearly every New York Sires Stakes leg, including the $225,000 Final at Yonkers on Sept. 22, 2018, and also took the $36,067 Simpson at Harrah’s Philadelphia, the $61,900 Tompkins Memorial at The Meadowlands, and the $48,500 Circuit City at Hoosier Park in 1:55.3. He finished a strong second to Six Pack in the Yonkers Trot and wrapped up his career with a second-place finish in the $256,000 Carl Erskine at Hoosier on Nov. 2, clocked in 1:53.3, with a final panel of :27.2. He earned $574,058 that season, and retired with 10 career wins, five seconds and a third in 24 lifetime trips postward.

“His best attributes were his desire to win and his versatility,” Toscano stressed. “The 2-year-olds of his that I’m watching all remind me of him—they all have his best characteristics. He was a lovely horse to work around, and I’m so thrilled with the performances his babies are showing out there on the track.”

Yo Beth D is one of those babies. The filly out of the Cantab Hall mare Scented Roses has captured four of five Indiana Sires Stakes (ISS) events at Hoosier Park, with a stellar 1:54.3s performance on Aug. 17 for trainer Todd Luther and driver Trevor Smith. It was her first start for her new connections, as she had previously been

conditioned and driven by Verlin Yoder, who sold her to Black Magic Racing on Aug 5. She has earned $99,500 thus far with four wins and a second in five starts and was a $14,000 yearling purchase at last year’s Hoosier Classic Sale.

Helpisontheway’s fastest performer to date is Here Is Help, a colt out of the Trixton mare Rocher Kemp, who has three wins in as many starts and $21,500 in earnings for Wiesman Farms and Buckstone Land Livestock. This youngster, who was purchased for $13,000 at the 2021 Hoosier Classic Sale, trotted to a 1:54.3 victory on July 27 in a near wire-to-wire effort with Andy Shelter driving for trainer Aaron Stutzman.

Others to watch include Helpineedsomebody, a $19,000 Hoosier Classic yearling purchase and a winner of $51,370 who is trained by Ernie Gaskin. This filly is out of the Muscle Mass mare Muscle Baby Doll, and has a qualifying mark of 2, Q1:57.4s and at press time, won the fourth leg of Indiana Sires Stakes in a time of 1:58.2 with Michael Oosting in the bike.

In fact, both legs of Indiana Sires Stakes action for two-year-old fillies were won by foals from Helpisontheway. The other division was won by Helpoftheseason for the Melanie Wrenn barn. The filly scored a gate to wire effort in 1:55.1 with Peter Wrenn at the controls. And, although it wasn’t a Sires Stakes event, Naturdays, trained by Matt Rheinheimer and driven by Trace Tetrick, made it a trifecta of Helpisontheway winners earlier in the card with a big win in 1:56.0.

As well, Dash Of Luck, who has earnings of $31,972 and one win and a second in four tries for trainer and co-owner Mark P’Pool, triumphed in an ISS contest on July 16, clocked in 1:55. The son out of the Andover Hall mare Half Ours brought $22,000 at last year’s Hoosier Classic Sale on Oct. 22.

“I think it’s pretty apparent that he’s a special horse,” Toscano noted. “And I think his babies, like him, are only going to get better with age.”

Chris Boring, longtime horseman and native of Shelbyville, Ind., joined an elite group of individuals recently inducted into the 2022 Harness Racing Hall of Fame. Boring was added to the Veteran’s category of the prestigious award.

Boring made his mark on racing at an early age. He relocated to Michigan where he campaigned such greats at True Duane, world record holder with earnings over $360,000, Colt Fortysix, winner of the 1984 Little Brown Jug, and Albert Albert, a world champion millionaire and winner of the Fox Stake at the Indiana State Fair in the late 1980s.

Also a member of the Michigan Harness Hall of Fame, Boring has won races over seven decades, amassing 3,979 wins and nearly $20 million in purses as a driver.

During his acceptance speech at the ceremony, Boring said, “All I’ve ever thought about being in the horse business is driving and training horses. I had a very supportive family. I had good teachers in my father (Leon) and my uncle Harold. I tried to always surround myself with good people and work for good people. God gave me the ability to try to keep up and hang in there. I love the horse business more than anything. I always will. I really appreciate being here. It’s a great honor and a great privilege and a lot of wonderful people.”

Boring also commented during the ceremony, "I will always call Indiana home."

In addition to Boring, Trainer Ron Burke, Driver Yannick Gingras and Trainer George Teague Jr. were added to the Hall of Fame. They were all formally inducted Sunday, July 3 in Goshen, NY on the Museum lawn.
The 2022 summer schedule for the Harness Horse Youth Foundation (HHYF) included three unique events in the Anderson, Ind. area.

The first event was the inspiration of Kathy and Dennis Petty who also followed through to serve as team leaders for the four-hour program presented to the Westfield Washington Schools as part of their summer field trip series. A group of 11 teenagers were hosted at the DeLong Farm and training center for a morning. They learned about how Standardbreds are similar to human athletes, watched horses jog, received some driving and career tips from Tabby and John DeLong, and, of course, pet some horses. They enjoyed their bag lunches in the grassy area in front of the barn.

For the first time ever, the HHYF Leadership Program, which is designed as the next level for young people who are keenly interested in learning about various aspects of harness racing, was held in Indiana at Crimson Lane Farm. “Homework” questions were sent in advance regarding the participant’s own self-evaluation of their own leadership skills as well as areas of further equine interest.

The group of five attendees for the Leadership Program included Ryder Skinner and Kiersten Shockley from the
state of Delaware, Maggie Copp and Morgan Marston from Virginia, and Matty Neafus from Indiana. In addition to caring for and the daily jogging of the HHYF stable of Trottingbreds, they visited Robert Taylor’s training facility, New Wave Equine, the backside and frontside of Harrah’s Hoosier Park and enjoyed dinner at the track. The culmination of the 5-day sleepover camp was the opportunity to ride along on individual training trips with trainer Ernie Gaskin, an Indiana Hall of Famer, in charge of the stopwatch.

The final event was an introductory 1-day camp, again held at the picturesque Delong facility. A large crowd of attendees, including one whose interest was piqued at the Westfield field trip, spent the morning learning about grooming, harnessing, hitching, and conformation. A catered BBQ lunch was provided, and the participants spent the afternoon putting horses away and practicing the proper way to put on stall bandages.

Each of these events was staffed with outstanding volunteers including Shane Cave, John and Tabby DeLong, Ernie and Darla Gaskin, Sally Gilbert, Bob Heyden, Brooke and Bryce Nickells, Payton Ode, Dennis and Kathy Petty, Jacob Roglitz, Vicky Rouch, Trent Stohler, Emily Ratcliff, and Mike Wilson.

Upcoming HHYF events for this fall include the Dan Patch Festival Parade, Harrah’s Hoosier Park Community Night, Harrison County Ag Days, which will introduce another 500 third graders to harness racing, and a joint promotional booth with the U.S. Trotting Association, Indiana Standardbred Association, and Ohio Harness Horsemen’s Association at the National FFA Convention set for Wednesday, Oct. 26 through Saturday, Oct. 29 in downtown Indianapolis.

The Indiana State Fair played host to two full days of harness racing action in early August. The first day was reserved for a stop on the “Roarin’ Grand Circuit” highlighted by the 96th edition of the $55,670 Fox Stake for two-year-old pacers. It was one of five wins on the 11-race program by Trainer Erv Miller as he sent out Indiana sired Coach Stefanos for the win.

Coach Stefanos came into the race with three wins in four starts and if pari-mutuel wagering was allowed, he would have been a favorite for driver Trace Tetrick. Tetrick drove him like the favorite too, placing the Tellitlikeitis gelding right on the lead, setting fractions of :28.2, :56.0 and 1:24.0 before opening up in the stretch to a three-length advantage at the wire in 1:52.0. Frankie Frankie, also an Erv Miller trainee, finished second for Atlee Bender over Strenthfromabove and Brandon Bates. All three top finishers were sons of Tellitlikeitis.

Coach Stefanos is owned by the partnership of Kenneth Duffy, D & M Trading II LLC, and John C. Stefanos, all of Orland Park, Ill. Victory Hill Farm bred the talented freshman, who lowered his career best time to 1:50.2 two starts later with an Indiana Sires Stakes preliminary win.

According to statistics provided by Ellen Taylor, Miller sent out 15 starters and earned $126,394.93, or 38 percent of the total purses. A total of $329,751

The action was delayed for the Governor’s Cup Championships, but it didn’t deter the intensity of racing for the titles at the Indiana State Fairgrounds.
was allotted during Grand Circuit Day at the Indiana State Fair.

Highlighting the trotters during Grand Circuit day was the $45,797 Ralph Wilfong Memorial won by Just Show Up and Trace Tetrick. Trained by Ron Burke, the Swan for All colt broke his maiden in the 1:57.2 effort for owners Burke Racing Stable, Knox Services, Frank Baldachino, and Weaver Bruscemi LLC. Concord Stud Farm LLC bred the youngster, who is a full brother to the trotting mare Measuredperfection with more than $347,000 in career earnings.

The Grand Circuit always brings in some new racing stock, and one of those was Adam Twelve, winner in a division of the Hoosier Stake 86. Driven by Joey Putnam for trainer Lavern Hostetler, the Luck Be Withyou gelding is owned by Oldfield Farm Inc. and was bred by Pond-A-Acres. Patti Oldfield was trackside for the trophy presentation to Adam Twelve, who scored the win in 1:55.0.

“My dad (Dick Oldfield) would have been very proud today,” said Patti Oldfield-Gira. “This was his very favorite place in the world to race.”

Jumping to the next morning, eight $10,000 consolation rounds were held for horses who missed the top eight spots for the Governor’s Cup Championships. The program was held over a fast track and was completed before torrential rains hit central Indiana. The weather created an issue for the Championships set for the evening, with a weather delay postponing the start of the series by two and one-half hours.

Once the okay was given for the starting gate to be able to maneuver on the mile surface, horses came out for the eight Governor’s Cup Championships worth $200,000. Kicking off the program was a surprise win by Swartz Bros Elen and Mike Peterson in the Two-Year-Old Filly Pace. They bested the field in a time of 2:00.0. Owned by Roger Wilkin, the Hypnotic Blue Chip filly, trained by Justin White, was ranked sixth heading into the final, but it was not a big surprise for Peterson, who anticipated a big mile from the filly.

“I really thought the race was wide open,” commented Peterson. “We moved up the backside and she finished really well.”

The counterpart of Swartz Bros Elen in the Two-Year-Old Colt-Gelding Pace was won by M-Ms Tony in 1:56.4. Owned and trained by Alvin Miller, the Tellitlikeitis gelding had been a strong contender all season leading up to the final.

In Three-Year-Old Pacing Filly action, Babe’s Darla and Jordan Ross scored an impressive win for owner Hartley Farms Inc. The Straight Shooting filly had been atop the leaderboard for most of the way heading into the final. Carl Newland trains the filly who took a new lifetime mark of 1:54.0 in the race. She was bred by Faron Parr.

In Three-Year-Old Colt and Gelding pacing action, Peterson earned his second Championship of the day with his Always-laser, who he owns and trains. The Always a Virgin gelding also took a new lifetime mark of 1:53.1 and seemed to be peaking at the right time for the Championships.

“I bought him at the Mixed Sale as a yearling,” said Peterson who is based at Northside Stable in Anderson, Ind. “He showed a lot of talent at two, but he injured himself on a stall gate and I had to shut him down for the year. We gave him plenty of time to heal up and trained him back and he was training really good. He was still a stud early on and his manners were terrible. We gelded him and I’ll turn him out now for the rest of the year and bring him back the first of January for the Miami Valley meet.”

Switching to the trotting divisions, Sure Do was an impressive winner for trainer-driver Jay Cross in the Two-Year-Old Filly division. The You Know You Do freshman brought $10,000 through the ring at the Hoosier Classic Yearling Sale as one of the early sellers. Following her win in the Governor’s Cup Championships, she was five for nine with her time of 1:59.0 a new career best. Sure Do is owned by Carl Hanes and was bred by John Bontrager Jr.

The Two-Year-Old Trotting Colts and Geldings title was claimed by Mr Knowitall, the top point getter heading into the Governor’s Cup Championships. The
You Know You Do freshman has been perfect all season long on the ISFC for trainer-driver Doug Rideout and didn’t disappoint in the final. He was also the horse that gave Rideout his 3,000th career driving win at Portland in the start prior to the Championship. Mr. Knowitall is owned by Julie Rideout and Dr. Alan White. He completed his mile in 1:59.3.

“We ended up on the front at the first quarter and I let Charlie (Conrad) go with Prince Henry and sat in the two hole. Matt (Rheinheimer, driving Brookview Dewey) came at us pretty hard in the stretch, but he was able to get the win. This colt likes doing his work. He has a nice way of going too.”

The final two Governor’s Cup Championships were held for Three-Year-Old Trotters with Summit City Sonny scoring the win for the colts and geldings. Owned by Summit Pacing Acres, the Dover Dan gelding was impressive for driver Derek Hooley in the 1:57.0 win. Byron Hooley trains the Freeman Bontrager bred gelding, who matched his career best time set as a two-year-old at Harrah’s Hoosier Park.

The final race for Three-Year-Old Trotting Fillies was under darkness and although the lights were on around the track, the dark spots in front of the grandstand posed issues for the photographer and the videographer covering the race. But it didn’t darken the effort of Walk With Me and Clint Coy, who rallied home with a gate to wire effort in 1:57.4, a final panel in 29.0. Coy was driving the Striking Lindsey filly for Trainer Doug Rideout, who finished second in the mile, just a neck back, with Crescent Beauty to score the one-two punch in the Championship. Matthew Miller owns the filly, who earned her eighth win of the season. It was the first time Coy got the opportunity to drive the impressive filly.

“It was my first win (in the Governor’s Cup Championship), and it was awesome,” said Coy. “I’m glad Doug and Julie (Rideout) put me up going for that kind of money. Without them, I would not be where I am today, and I appreciate them so much. She drug me right off the gate and when they came at her late, she swelled up and got me to the wire first.”

Speed Barn Tours at hit at the Indiana State Fair

By Tammy Knox

For several years, the Indiana Standardbred Association, in cooperation with the Indiana Standardbred Breed Development, has offered free tours in one of the Speed Barns during the Indiana State Fair. The display has proven to be a popular stop for fairgoers, who enjoy learning about the sport of harness racing, seeing retired racehorses up close, and visiting with horsemen and horsewomen.

“Our Speed Barn visits this year were so fun,” said ISA Director Emily Dever, who coordinated the efforts. “We added a kids’ corner, courtesy of HHYF (Harness Horse Youth Foundation), a virtual reality driving simulation, courtesy of the Ohio Harness Horsemen’s Association (OHHA) and a few drivers came out to visit with our guests, including Odell Cross and Jordan Ross. This
The Speed Barn display includes racehorses daily for people to interact with along with equipment displays such as jog carts and race bikes, driver’s colors, harnesses, and other pieces of equipment associated with racing. The display featured oversized boards with fun facts about the Standardbred breed as well as history of racing in the state of Indiana. The booths are manned by volunteers from the ISA, the Breed Development and others involved in the sport, giving a great overview with participants able to answer questions from the public.

“Rocket Fuel (courtesy of Twila Harts and Alvin Miller), Rock Bottom (courtesy of Sandy Tetricks), Encil and Recollection (both courtesy of Nicole Agosti) were the real stars,” added Dever. “All four horses greeted thousands of guests during the fair. In one 8-hour day, there were over 4,000 people through the barn learning about harness racing.”

One volunteer who witnessed the success first-hand was Nat Hill IV, former director on the ISA Board who added, “This is one of the best things the ISA has ever done. There was a steady flow of people coming in and out, and we had over 7,000 people visit in one weekend alone.”

The Speed Barn display began with the start of the Indiana State Fair Friday, July 29 and continued through the duration of the event, which closed Sunday, Aug. 21. The open barn tours were held from 10 a.m. until 6 p.m. with the exception of the two days harness racing was held at the fair Wed. Aug. 10 and Thursday, Aug. 11.

“Also, thank you to each trainer who donated horseshoes,” said Dever. “I’m sure you all got tired of me asking for them, but kids and adults alike thought they were great souvenirs. We have already started planning for 2023 so save those horseshoes!”

He lived up to the hype. Bulldog Hanover captured the world’s attention when he won the $500,000 W.R. Haughton at The Meadowlands in 1:45.4, becoming the fastest Standardbred ever. After a qualifier in early August at Woodbine, his next stop was the 29th edition of the $315,000 Dan Patch Stakes at Harrah’s Hoosier Park and he didn’t disappoint, scoring a win in 1:48.1 and extending his current win streak to seven in 2022.

Trained by Jack Darling, who has had a long string of success in Indiana stakes races dating back to the 1990s, Bulldog Hanover came onto the track a few races before for one warmup. Darling turned to the right out of the paddock and went three laps the right way of the track, jogging and then picking up the pace on the final stretch. The fence was lined with onlookers and cameras and cell phones were out recording his every move. He played the part well of a superstar as he coasted back to the paddock on the outside fence, giving the fans an up close experience prior to the race.

Ironically, Bulldog Hanover’s best time prior to this season was taken at Hoosier Park last year at three in 1:48.0. He ended the year with 10 wins in 15 starts and more than a half-million on his card. After not leaving Canada as a two-year-old, Bulldog Hanover made his first trip out of Canada last year at three to Hoosier Park where he reeled off four straight wins to close out his sophomore campaign. John DeLong drove him in each of those four wins. Added to his win in this year’s Dan Patch, Bulldog Hanover is now undefeated at Hoosier Park in five career starts.

“We had a great crowd turn out for the 29th edition of the Dan Patch Stakes but with the running of the race scheduled for after 11 pm, you always wonder how many will still be around that late at night,” said Rick Moore, Vice President and General Manager of Racing. “But it is a credit to the star power of Bulldog Hanover that virtually everyone was still there when the Bulldog lined up behind the starting gate. He certainly did not disappoint, and he truly is harness racing’s newest superstar.

Emily Gaskin and Robert Heyden provided exceptional commentary during Dan Patch Night to keep racing fans entertained and informed. Photo by Tammy Knox
With no hyperbole he reminds me of the very great ones like Albatross and Nihilator.

As usual, stats guru Robert “Hollywood” Heyden set up the night with spectacular stats. One of those was the comparison of Bulldog Hanover to the great Jenna’s Beach Boy, also a winner in the 1996 Dan Patch, which was an invitational at the time.

“The last time the fastest racehorse ever came into the Dan Patch at Hoosier Park it was Jenna’s Beach Boy, who won the Haughton Final at the Meadowlands in 1:47.3,” said Heyden in a social media post. “He had 14 days and no races in between. He won the Dan Patch and set the track record at 1:49.4. Bulldog (Hanover) also has no races in between 27 days since his epic 1:45.4, also at The Meadowlands and also in the Haughton.”

Bulldog Hanover, a $28,000 yearling purchase from the Standardbred Horse Sale at Harrisburg, Pa., drew post three in the field of 10 for the Dan Patch Stakes. Many thought he would motor right to the front, but driver Dexter Dunn settled in third as Workin Ona Mystery and David Miller took advantage of their inside post and shot out to the lead, passing the first quarter in :26.0 with This is the Plan and Yannick Gingras rallying hard from the outside to get between Workin Ona Mystery and Bulldog Hanover.

Once the dust had settled, Bulldog Hanover pulled to the outside and moved to the lead by open lengths, passing by the half in :54.3 and three-quarters in 1:22.3. Todd McCarthy was leading the charge of the outer flow with Rockyroad Hanover, but little ground was being made up on Bulldog Hanover. The four-year-old horse switched into another gear and rallied home in :25.3 to score the win by two and three-quarter lengths over Rockyroad Hanover in 1:48.1. Workin Ona Mystery finished third. Little Rocket Man and John Delong, one of two Indiana sired horses in the field, finished fifth in the race.
There was a nice undercard for the Dan Patch with some impressive equine athletes. What made Bulldog Hanover’s win more impressive is it was the only one to dip under the 1:50 time barrier in 15 races for the night, showing the outstanding performance by the world champion. It wasn’t a track record, but it was as equally impressive on a night with temperatures lingering in the low 60’s.

“Working with a horse like him makes my job very easy,” said Dunn in a Hoosier Park press release. “We got away cleanly and handily, and once I moved him, I had a handful of horse. The further he seems to go, the better he is. He’s putting in these big miles and going fast times and it really doesn’t seem to be bothering him. He bounces back and does it again and again. There was never really an anxious moment. I knew with the way he felt it was going to take a pretty big effort from one of the others to chase him down. He did it pretty easy tonight.”

Bulldog Hanover was the overwhelming favorite, paying $2.40 for the win. He is owned by Jack Darling Stables and Bradley Grant, both of Ontario. He is a product of the famous Hanover Shoe Farms of Pennsylvania. Overall, the Shadow Play horse is 22 for 30 and now has earnings in excess of $1.4 million.

“He doesn’t take a lot of maintenance,” said Darling, also through the Hoosier Park press release. “His caretaker is with him all the time and we just try to do what we can to keep him happy. We love it here at Hoosier (Harrah’s Hoosier Park) and Bulldog likes it too.”

The co-feature, which has joined the Dan Patch since being implemented in 1997, was the Gregg Haston Memorial. Makin Some noise and Dexter Dunn rallied to the lead for a near gate to wire effort in 1:50.0, winning by three-quarters of a length over Rockin on Venus and Tim Tetrick. Two Hanover and Brandon Bates finished third at odds of 52-1. The Always B Miki four-year-old gelding is owned by Rebecca Sugg and trained by Kurt Sugg.

It was the eighth win of the year for Makin Some Noise. His fastest mile this year was taken at Scioto Downs in 1:48.2. He was unraced at two and went four for four last year as a three-year-old for the Sugg family.

One of the most emotional sights of the night was recorded in the Teagan Tetrick Memorial, held just before the Dan Patch. No Win No Feed A and Trace Tetrick came roaring down the stretch late to win the event named in honor of Tetrick’s niece Teagan, who was tragically killed last year in an automobile accident near the family’s homestead in Geff, Ill. There was a delay in taking the photo as the van brought Tim Tetrick down to join the photo, which included all three Tetrick boys, Trace, Tom T., and Tim, along with Teagan’s grandmother, Maryalice, and Trace’s wife Sandy, and daughter Chloe. A blanket in the stable colors of green and gold was made for the special occasion to honor the teenager. Erv Miller trains No Win No Feed A, who scored the win in 1:51.0, for owner Doug Overhiser.
Activities were abuzz during Dan Patch Night with a plethora of kids’ activities joining food trucks and strolling entertainment trackside. Social media contests were offered to promote Bulldog Hanover and prior to the races, a few local drivers came down to sign autographs for fans, including Sam Widger and Brandon Bates, who both drove in the Dan Patch. Caesars Rewards members could also be one of the firsts 250 to check in and win a Dan patch Lawn Chair. Members could also play in the Dan Patch Pick’Em for a chance to win a $10 race wager. Also, four $250 Megabets were offered to members for the Dan Patch Stakes.

Three guaranteed pools were also included on Dan Patch Night, featuring a $20,000 guaranteed Late Pick 4, a $25,000 Guaranteed Superfecta on the Dan Patch Stakes, and a $15,000 Guaranteed Hoosier High Five in the final race of the night. Twinspires also offered a $5,000 Hit It and Split It promotion on the $20,000 guaranteed Late Pick 4.

“The Dan Patch race night set an all-time Dan Patch record handle of $1,568,105 compared to last year’s then record handle of $1,481,330,” added Moore. “The Dan Patch race itself posted a record handle of $355,000. I want to thank our partners, the Indiana Standardbred Association, TVG, Twin Spires and the Daily Racing Form, for without whose help this record night would not have been possible.”

Breeders Crown returning to Indiana

By Tammy Knox

Third times a charm for Indiana as it will set the backdrop for the 40th edition of the Breeders Crown Championships. The event will include 12 categories for pacers and trotters with purses in the millions.

The announcement was made during the 29th edition of Dan Patch Stakes Night at Harrah’s Hoosier Park in early August. The notice was teased a few days leading up to the evening when officials and executives representing four different organizations were in the winner’s circle to spread the good news.

“Harrah’s Hoosier Park along with the Indiana Standardbred Association could not be prouder to host the 2023 Breeders Crown for the third time,” said Rick Moore, Vice President and General Manager. “Having harness racing’s most prestigious event taking place at HHP is a testament to all who have worked so hard in Indiana to make the Indiana harness racing industry one that is respected throughout North America. Working with the Indiana Standardbred Association and The Hambletonian Society over the last several months to make this a reality and then being able to announce it on Dan Patch Night made the evening even that more special.”

The Breeders Crown originated in 1984 by the Hambletonian Society as a play on the Breeders Cup events added to the Thoroughbred stakes program. The first one was held at eight different tracks with no events for older pacers and trotters. The first six years saw the event contested at various tracks until Pompano Park was the sole host in 1990. Beginning in 2004, Woodbine and The Meadowlands would host half each until 2010 when the event became one night at Mohegan Sun at Pocono Downs. Harrah’s Hoosier Park hosted the event in 2017 and in 2020 during Covid-restricted times. The 40th edition in 2023 will provide the track with an opportunity to return to “all systems go” and set the stage for another spectacular event.

Emily Gaskin, on-air talent for Hoosier Park, emceed the announcement that included Moore, Joe Morris, senior vice president of racing at Caesars Entertainment, Joe Putnam, president of the Indiana Standardbred Association and Ernie Gaskin, board member for the Hambletonian Society.

Gaskin, who is also on the board of the ISA, explained the executive staff of the Hambletonian Society was battling COVID-19 issues and couldn’t be in attendance for the announcement. Gaskin read a note from John Campbell, the executive director, noting how pleased and proud they were to be returning to Indiana and pointed out how great the two previous events have been, including the 2017 that Campbell noted as “historic and set the standard for future events.” Gaskin also noted how excited the organization was to return to Indiana and also gave props to the Indiana breeding program that has produced eight to 10 Breeders Crown winners over the past few years.

“Can you image that Hoosier Park put on such a great show, the national racing association is recognizing us as putting on one of the best events ever in the history of the Breeders’ Crown?” said Gaskin. “What a great, great compliment. This is monumental for the Breeders Crown to be coming back in 2023.”

Empire of Hope raises funds for racehorse aftercare

Empire of Hope, a company wide initiative implemented in 2020 by Caesars Entertainment Racing, was held at Harrah’s Hoosier Park Saturday, July 30 with the entire evening dedicated to racehorse aftercare. Numerous activities to raise funding and awareness for the cause were held with a total of $31,000 donated to the Standardbred Transition Alliance by Harrah’s Hoosier Park.

“At the end of the day, all of us at Harrah’s Hoosier Park owe a debt of gratitude to the Standardbred racehorses who race here each and every night,” said Vice President and General Manager of Racing, Rick Moore in a press release prior to the event. “To help repay that debt of gratitude it is incumbent that all of us show our appreciation for these great equine athletes. There is no better way to show that appreciation than by making a financial contribution that will help these horses find second careers and second homes once their racing careers are over.”

Moore, who volunteers his time as a board member of the Standardbred Transition Alliance, has been a big proponent of securing and maintaining Empire of Hope is successful to a cause that is close to his heart. He works tirelessly each year to ensure funding and continued support of the cause is at the forefront of Standardbred racing.

“I am so pleased that our annual Empire of Hope Night has now become one of our premier racing nights of the season,” Moore continued in the pre-event press release. “I am hopeful that this year will again produce outstanding results as we seek to raise money and awareness for the after care of Standardbred racehorses.”

The third annual Empire of Hope at Harrah’s Hoosier Park included a bake sale, which has become a staple in the event, and is provided by the ladies who work in the racing office. With numbers down this year in the baking department, three ladies handled the products for sale to horsemen, team members and racing fans on the backside with a total of $1,500 added to the donation.

“In the past, we have had five or six people to contribute baked goods to this event, but we are down in numbers this year,” said Kelly Canarr, who works in several capacities in the racing office. “We raised over $4,000 last year, but I thought with just three of us working this year, along with some other donations, our amount was really good for racehorse aftercare.”

The bake sale sold out on a few occasions over the multi-day event. Kenzie Griffin and Kathy Kendall of the racing office also helped Canarr with providing baked goods to sell for the cause. Others who provid-
ed donations included Maggie Audley, Cindy Tutuan, and Sharon Beeman.

Also on display during the evening was Mshindi, a 10-year-old retired trotter from the Brooke and Bruce Nickells Stable. The Valley Victor gelding greeted fans, who were interested to see him up close. He won 25 races and more than $237,000 during his career with a mark of 1:54.2 taken as a six-year-old. Tim Clevenger played host to the trotter during the races along with Teena Walden, who serves as the equine backstretch maintenance/dorm supervisor at Harrah’s Hoosier Park.

Fundraisers for the event included a Give $5, Get $5 for all Caesars Rewards members. Each time a member donated $5, they received either a $5 free slot play or $5 race wager. Also, those who donated $5 during Empire of Hope received a mystery voucher valued at $5 to $100, depending on the unveiling of the ticket.

Empire of Hope T-shirts were sold for $10 with all proceeds to STA along with the drivers, trainers and owners giving a percentage of their earnings for the night to the cause. The Track Kitchen hosted a charity cookout with a container of food for $10 offered featuring BBQ.

Always a popular stop, the Hoosier Park drivers and trainers climbed into the dunk tank with fans purchasing three throws for $5 for the cause. Those braving the dunk tank included Mike Chandler, director of food and beverage, Trace Tetrick, Brandon Bates, Sam Widger, Tyler George, Trent McIntosh, senior vice president and general manager, Matt Krueger and Missy Essig.

Empire of Hope was complemented by the third Family Fun Saturday of the year with bounce houses, face painters, roaming entertainment and a DJ alongside the food trucks.

Doug Rideout, the reigning driving champ on the Indiana Sired Fair Circuit (ISFC), scored his 3,000th career win at Portland Saturday, Aug. 6. Rideout scored the milestone behind his standout freshman trotting gelding Mr. Knowitall in the sixth race of the day.

“It felt really good to get the milestone,” said Rideout. “Clint (Coy) was keeping count and knew I was getting close. At the beginning of the year, I thought I had a shot to get it. About a week before, Clint told me I was only nine away, so I knew it was getting close.”

Rideout placed Mr. Knowitall right on the lead for the gate to wire win in 2:04.3. It was one of six wins on the card for the Canadian native, who came into the day three wins away from the milestone and left with three wins over the mark.

“Getting it with Mr. Knowitall was nice since we train him and getting it at Portland was also nice because that is pretty much our home track,” added Rideout.

Other winners for Rideout on the day included Sea Surfer in a division of the two-year-old filly trot in 2:05.1, Unforgettable, also in the two-year-old filly trot in 2:06.0, Rockin Ruthie in a division of two-year-old pacing fillies in 2:03.4, Crescent Beauty in a division of three-year-old trotting filly action in 2:02.0, and Hand Dover Dan in a time of 2:00.2 in the three-year-old trotting colt and gelding ranks.
Mr Knowitall is now seven for nine this season with his best time taken at Frankfort in 2:01.4. He is owned by Rideout’s wife, Julie, and Dr. Alan White. The You Know You Do gelding is second in the standings for freshman trotting colts and geldings and is headed to the $25,000 Governor’s Cup Championships this Thursday at the Indiana State Fairgrounds. All seven of his wins this year have been on the ISFC.

“He trained down well and has always had a great attitude and wanted to do the work,” said Rideout. “We always thought if he could go fast enough, he’d be okay, and he’s turned out to be a great little horse for us this year.”

Rideout began his driving career in 1986. He has driven in more than 22,000 races and in addition to 3,003 career wins now, he has more than 3,000 seconds and 3,000 thirds. Overall, he has accumulated more than $11 million in purses. With several years of earnings over the half-million mark, Rideout’s best season was recorded in 1997 when he won 244 races with nearly $600,000 in earnings. Last year, Rideout won 109 races. This season, he has already posted 71 wins and is once again maintaining a .394 driving average.

“Julie and I have 27 in the barn,” said Rideout. “The three-year-olds all go to the sale, and we might sell a couple of two-year-olds to make room for more babies. We’ve been looking at pedigrees, but haven’t had time to visit any farms yet, but are excited to start looking.”

As a trainer, Rideout is approaching another milestone. He has 972 career wins and more than $7 million in purses. Rideout is a native of Mississauga, Ontario. He and Julie now reside in Winchester and have been involved in Indiana racing for decades.

Known for their work with trotters and always having a strong showing in their barn, Rideout added, “We’ve had a pretty good bunch this year. They are all pretty well behaved. We do a lot of adjusting of shoeing until we get them all balanced out good, but we’ve had a good year.”

Dream coming true for Vernon Oakerson

By Tara Ellen Taylor

A quick wit, fierce competitive spirit and very athletic in his youth, a hard-working farmer plus many, many adventures with horses of all kinds could briefly summarize Vernon “Boone” Oakerson’s 86 years. The family love and support through all of it brings a tear to his eye.

Surrounded by relatives of all ages including grandson Matt Tucker, the 2022 Hoosier Park summer intern, Boone recently reflected on his lifetime with horses; his twinkling excitement very much expressed both in words and body language. His grandfather and father had Belgian pulling horses, his wife’s family had Quarter Horses.

Vernon and his now deceased brother Gene began their racing interest together with Trottingbreds in the 1970s before changing over to Standardbreds in the 1980s. The brothers raced primarily in Ohio until eventually moving the horses to the Jay County Fairgrounds and, for more than 25 years, they made the 90-mile commute to Portland each day to care for and train their small stable.

“Pacers are easier, and trotters are more challenging,” explained Vernon. “My brother and I enjoyed tinkering with shoeing and trying new things to try to develop a solid racehorse.”

In 2000, Vernon and his wife, Sonnie, made the decision to breed and raise their own foals.

The original broodmare Iza Perfect Shot, or “Momma” as she is affectionately nicknamed, enjoys her retirement at the Oakerson farm in Losantville. In 2016, Vernon and Sonnie mutually decided that the 2017 crop would be their last crop. That is until Vernon started thinking about “one more foal.” Like so many horsemen, he wanted another chance at breeding and racing a champion and another opportunity to visit the winner’s circle. So in 2020, Prince Henry was born. He is by Muscleprincetonian out of Exciting Iza (daughter of “Momma”) by Worth A Try.

Despite some recent health issues, this summer Vernon closely followed his 2-year-old trotter on the ISA’s livestream of the fairs and even made trips to Harrah’s Hoosier Park. Or perhaps it would be more accurate to say his extended family attended. They developed a family racing logo, printed t-shirts, and traveled en masse to Anderson to cheer on the colt and his elder owner.

The colt picked up 4 wins early in the season and earned enough points to qualify for the “Quest For...”

Sweet record setting performance for Sweet Heaven

By Tammy Knox

It was a “sweet” ending to what was thought to be just another race for Sweet Heaven and John DeLong Saturday, July 23 at Harrah’s Hoosier Park. The duo rallied home to a new track record for older pacing mares, stopping the timer in 1:48.1.

Starting from post four, Sweet Heaven was able to secure the spot right behind early race leader Keep Rockin A and Sam Widger, who were favored in the race. From there, they followed along through fractions of :25.4, :53.0 and 1:20.3 before slipping out and changing gears.

In the stretch, Sweet Heaven began to draw away from the field with a final quarter of :27.1 to win by five and one-quarter lengths in the record setting performance. Skyway Brittney and Michael Oosting finished second in a tight photo over Keep Rockin A.

Sweet Heaven came into the race with three wins and was overlooked by bettors, paying $10 for the win. The six-year-old daughter of Sweet Lou now joins her father as a record setter at Harrah’s Hoosier Park. Sweet Lou, driven by Ron Pierce, is the current overall track record holder in Indiana following his 1:47.2 mile in the 2014 Dan Patch Invitational, which was equaled by Castle Flight and LeWayne Miller in 2019. The previous best time for Sweet Heaven prior to her track record performance was set last year in 1:49.4 and then equaled earlier this year, both miles at Harrah’s Hoosier Park.

Sweet Heaven is a recent purchase by her owners, JL Benson Stables and Ed Kynskey. Benson owned the mare solo last year before selling half to Kynskey in January of this year. The Pennsylvania bred mare joined the Keith Kamann Stable last August in Indiana. After wintering in Florida, she was shipped to Nancy Takter to race at Yonkers this spring for a few starts before returning for the Indiana meet this summer.

The track record performance was the 21st career win for Sweet Heaven. She boosted her career earnings to more than a quarter million with the effort. She is the first foal from the Rock N Roll Heaven mare L Dees Heavenlyval and only one of two total. She is part of the first crop by Sweet Lou, who ended his career as a world champion with more than $3 million and a mark of 1:47.0. He is also a member of the Harness Racing Hall of Fame.

Elkhart County Fair crew works overtime for racing

By Tammy Knox

The Elkhart County Fair harness racing program had a different look in 2022, but the results were still the same: a great racing card, an enthusiastic crowd, and a fast race-track. Located in Goshen, Ind., the Indiana Sired Fair Circuit (ISFC) makes an annual stop at the location and is one of the premier events of the year for the ISFC.

In addition to the races leading to the Governor’s Cup Championships in the ISFC, the Elkhart County Fair provides the Classic Pace and the Maple City Trot. Generally, there are three days of action, but with a monsoon rainstorm hitting the area on the first day of action Saturday, July 23, racing was delayed to Monday, including the Classic Pace.

According to a story penned by sports reporter Austin Hough of the “Goshen News,” crews worked tirelessly on Sunday to get the track ready to go for racing. Tim Graber, who oversees operations for racing at the fair, credited Sanford Ropp with ensuring the fans had a chance to see racing on Monday.

“The track, even (Sunday night), was really un-raceable,” said Graber in the “Goshen News” article. “Sanford Ropp didn’t even have a chance to get onto the track until after the concert Sunday. He started about 10:30 p.m. or so and worked it most of the night. It’s amazing. We are by far the fastest track in the state of Indiana, as far as fair tracks, and we’re one of the fastest tracks in the nation (at the county fair level). It’s just a testament to these guys. We train here year-round, so we keep the track in good shape, but it was a lot of good work from Sanford (Ropp) to get it into shape.”

Two divisions of the Classic Pace for colts and geldings were contested. Doug Rideout guided Luckewithalex to victory in the first division in a time of 1:55.4 and Jordan Ross was victorious with BB Lucky Boy in the other division, clocking his mile in 1:56.1. The mile by Luckewithalex was three-fifths of a second off the track record, adding more testament to the hard work by the track crew to get the surface ready to go.

One division of the 31st Classic Pace for three-year-old fillies was held with local entrant Lady Angel who took home the biggest piece of the $12,100 purse. Owned, trained, and bred by Tyler Miller of Shipshe, Ind., the JK Endofanera filly was a gate to wire winner in 1:58.1, scoring the victory by three and three-quarter lengths. It was the fourth win of the season for Lady Angel, who was greeted by friends and family in the winner’s circle following the win.

Lady Angel is the latest winner from the family’s brood mare Cammy’s Heart, who has also produced Flight Onefortysix (1:53.0) and Kataparka (1:55.2). She is currently racing at Harrah’s Hoosier Park following her win at the Elkhart County Fairgrounds for Miller. She paced in 1:52.0 earlier in the year and took her career best time of 1:54.4 at Harrah’s Hoosier Park in 2022.

Two divisions each of the Maple City Trot closed out racing at the Elkhart County Fair Tuesday, July 26. In the filly divisions, Doug Rideout won both with horses from his stable, Walk With Me and Crescent Beauty, in 2:02.2 and 2:02.0, respectively. It was back-to-back wins for Walk With Me. Due to the cancellation, she raced in ISFC for three-year-old trotting fillies on Monday and back to the Maple City Trot on Tuesday, winning both events.

Another track record was broken, and thus another sash presented, at Connersville Saturday, Aug. 20 by Tabslady One. The 3-year-old filly trotter is by Mr. Cantab. She shaved 1/5 of a second off the old record set by the Pinetucky daughter Jazzymove and Lester Raber in 2015 in 2:01.4 and trotted in 2:01.3 for owners Scott Linville and John Pitts. Tabsladyone returned the following week to score another win on the ISFC at the Shelby County Fairgrounds. Photo by Ellen Taylor
Oakerson continued from pg. 37

The Governor’s Cup” final. So the family again put on the t-shirts, packed up Vernon and headed to the Indiana State Fair to watch Prince Henry race in the championship.

When asked about his chances of winning, Vernon smiled sweetly and replied, “I think he’s got a shot.”

Unfortunately, a rough trip did not result in a victory. To date, Henry has 13 starts, a record taken at Converse of 2:06.1 and earnings just shy of $15,000 for the season.

Vernon’s vision of a future champion will surely continue into 2023, especially with the entire Oakerson entourage continuing to support the effort. Dreams do come true.
Curtis Rice, of Starkville, Miss., died July 5 in Berwyn, Ill. Curtis was born Aug. 11, 1960 in Starkville, Miss. He was 61.

Mr. Rice owned dozens of Standardbreds in his life and was active as a trainer and driver from the mid-1980s up until his death. He trained 620 winners and compiled 239 driving victories, primarily in the Midwest. His biggest year as a trainer was last season when he sent out 25 winners in 113 starts with purses over $225,000 and maintained a training percentage of .362.

Although Curtis began driving in the mid-1980s, his first training start wasn’t until 1995. His last start as a trainer was recorded at Frankfort with two-year-old filly pacer Take Your Pick, who finished second for his godson Clifton Bell.

Curtis first came to the Midwest and raced on the Illinois County Fair Circuit before branching out to the pari-mutuels and eventually into Indiana. He is best known in recent years for his success with two-year-old pacing filly Rollonbeauty, winner of the Governor’s Cup Championship at the Indiana State Fairgrounds in 2020. He returned last season to win the Governor’s Cup Championship with Luckychris in the two-year-old colt and gelding pacing ranks.

In addition to racing in Indiana, Curtis was also competing at Hawthorne, Oak Grove, Springfield, Ill., and the Illinois county fairs this season.

Curtis is survived by daughters Areche’ Bradford (Detrick) and Leslie Bradford (Kelvin), both of Starkville; son Curtis Bradford (Latasha) of Fayetteville, Tenn.; brother Bobby Brooks of Starkville; godson Clifton Bell; aunts Catherine Minor and Dianne Lanier of Starkville; and nieces Valerice Rice and Daphne Lee. He is also survived by nephs, other relatives and good friends.

Funeral services were held July 16 at Bethel Missionary Baptist Church in Starkville, with burial at Austin Church of Christ Holiness Cemetery, also in Starkville. Attendees were invited to a Celebration of Life Repast following burial at The Storehouse, in Starkville.

In lieu of flowers, a memorial fund has been set up at CB&S Bank, 303 MS-12 E, Starkville MS 39759.

USTA Director position open for 2023

A total of 13 districts represent the membership of the U.S. Trotting Association. Included in the district meetings will be the election of directors to fill expiring positions on the board. There is one director position for District 2, which includes Indiana and Michigan, that will expire next year.

District 2 of the USTA Board currently consists of six individuals. One is occupied by a track appointed position and Scott Peine, director of racing at Harrah’s Hoosier Park, obtains that spot. Other USTA Directors from Indiana for District 2 include Jay Cross and Sam Hedington, both serving until 2024. The Michigan representatives are Marilyn Breuer-Bertera, who is the chair and on the executive committee, Stephen Oldford, and Mike Sweeney, whose term is set to expire in 2023.

Interested individuals in the director positions are required to be a USTA member in good standing and submit a petition with at least 24 valid signatures of members of the organization. Nominating petitions must be postmarked by Oct. 1, 2022, and the USTA District Meeting is set to be held by Zoom Tuesday, Oct. 18. The deadline to submit a ballot for the USTA Director positions is Tuesday, Dec. 13, 2022.

Those interested in pursuing a seat on the USTA board are encouraged to fill out a nomination petition and return it to the USTA by email at michele.kopiec@ustrotting.com or by mail to the USTA, 6130 South Sunbury Road, Westerville, OH 43081.

Elite competition for Indiana

By Tammy Knox

Each year, a special series for Indiana sired two and three-year-olds on both the trot and the pace are held at the Indiana State Fairgrounds. This year’s event didn’t disappoint with 12 races spread over eight divisions.

As has been the case for a lot of stops on the Indiana Sired Fair Circuit this season, it was a Doug Rideout kind of day, with Rideout winning six of the 12 events, including a sweep in the two-year-old filly pace and the two-year-old colt and gelding trot.

Kicking off the day were two divisions of two-year-old filly pacers with purses of $7,525 each. Here We Go BB took over after the quarter in her division for Rideout and romped home to a four-length win in 1:59.1. The Tellitlikeitis filly is owned by Sheila Parcher of Ohio.

Joining Here We Go BB for a win was Rockin Ruthie, who is co-owned by Julie Rideout and Clint Coy. Rideout had two in the race so Coy opted to drive Lil Miss Patriot. Rockin Ruthie went out for the lead early but was overtaken by Lil Miss Patriot at the quarter in :28.0 before Rockin Ruthie was back out to take over for the middle fractions of :59.3 and 1:30.1. Townline Tilly and James Reed were putting pressure on Rockin Ruthie from the outside heading into the stretch.

Down the stretch, Rockin Ruthie was battling Townline Tilly on the outside while Lil Miss Patriot was coming up the inside. The two stablemates went to battle with Lil Miss Patriot closing in on Rockin Ruthie at the end, but she couldn’t quite get the advantage at the wire in 1:59.2. Rockin Ruthie was declared the winner by a nose in a tight photo over Lil Miss Patriot. The win from Rockin Ruthie turned out to be a nice birthday present for co-owner Julie Rideout.

Other winners for the Rideout barn included Rockin forreal in the two-year-old colt and gelding pace (1:57.2) and Help Dust and Mr Knowitall in the two divisions of the freshman trotting colts and geldings in 2:02.0 and 1:58.3, respectively. Rideout closed out his day with a win from three-year-old trotting gelding Hand Dover Dan in a time of 1:56.3.

In the lone division for three-year-old filly pacers, four starters were seeking the title and the $10,400 purse. Running on Faith, who set a track record at Connersville in her last start, and Mike Peterson moved out for the early lead to set fractions of :27.0 and :57.0 before Mystical Image and Jacob Fox pulled from their two-hole position to challenge at the three-quarters in 1:26.0.

At the head of the stretch, Mystical Image and Running on Faith started a battle and were soon joined by Hotshot Betsy and Doug Rideout. The trio of fillies came down the stretch with Mystical Image getting the edge by a half length in 1:55.0. Hotshot Betsy was second over Running on Faith.

Mystical Image is owned by Fox along with Mystical Marker Farms, the filly’s breeder. The Always a Virgin sophomore earned her fourth win of the season. The
mile also marked a new career best for the filly, who now has six career wins and $30,000 on her card. Fox trains the filly.

Other winners in ISA Elite action included Glawbanera in a division of two-year-old pacing colts and geldings, guided to victory in 1:55.2 by Logan Loney. Donna Loney trains the JK Endofanera gelding who is owned by James Reed.

Also a winner on the day was YouKnowYouDid and Mike Peterson in two-year-old trotting filly action in 2:01.0. The You Know You Do filly is trained by Mervin Schmucker and owned by Shady Lane Meadows. Sure Do and Jay Cross, who also trains, won the other division in 2:00.3 for owner Carl Hanes.

Driver Jordan Ross also had a pair of wins, guiding One Lucky Dude to victory in the lone three-year-old colt and gelding pace going for a purse of $10,250 for trainer Justin White and owners Marlin Graber Jr. and Sr. Ross also connected with Double A Samantha from the John Merkel barn in the three-year-old filly trot with a purse of $10,750. The Muscle Massive sophomore is owned by Merkel and Daniel Smith.

Driver Doug Rideout also had a pair of wins, guiding Vel Jail Bondsman and Bradly Ferguson in 2:01.2 while Rideout won the second division with Hand Dover Dan in 2:02.2. It marked the eighth driving win of the series at Goshen for Rideout.

Prior to the Maple City Trot on closing day of the Elkhart County Fair, a special tribute was held for local horseman Harley J. Yoder, who passed away earlier in the year. Mike Peterson guided Always-a-laser to victory in the Yoder Memorial. Near the winner’s circle, Yoder’s helmet and colors were on display. Track Announcer Steve Cross informed the crowd of Yoder’s contribution to racing as well as his accomplishments both on and off the track.

“Everyone knew Harley, and he was well respected,” said Cross during the presentation. “He was a man of character that did just about anything he could to help someone. Harley, we’re going to miss you, and I’m sorely going to miss your signature hat you always wore.”
